FOR IMMEDIATE RELEASE

“JPR Systems to Represent Yokogawa Field Instruments in Northern California & Greater Reno & Las Vegas”

Expanded Portfolio of Products Offers Customers Quality Solutions for Process Measurement Applications

March 9, 2021 - Brea, California -- JPR Systems, a leading manufacturers representative of process measurement equipment, is proud to announce they have partnered with Yokogawa Corporation of America to represent their high-quality Field Instruments, Gas & Liquid Analyzers, Data Acquisition & Controllers to customers in Northern California and Western Nevada.

“JPR Systems is very excited to be representing the quality Field Instruments, Analyzers and Data collection product portfolio from Yokogawa. These products fit perfectly with the markets we serve and allow us to offer solutions to help improve customers processes and meet their industrial measurement goals”, states Geoff Wickens, Sales Manager for JPR Systems.

"We're thrilled to be partnering with JPR Systems as our new representative for Northern California and portions of Nevada," says Russ Graybill, Director US Sales for Yokogawa. "Their team and technical capabilities are world-class, their product and application knowledge is very strong, and their reputation for outstanding field and engineering services is fully aligned with the Yokogawa vision."

For more information, please call JPR Systems at 800.478.1002 or email info@jprsystems.com

About Yokogawa Corporation of America

Yokogawa Corporation of America, a subsidiary of Yokogawa Electric Corporation, partners and co-innovates with the North American energy and chemical industries to achieve optimum operability and competitiveness. With a 60-year track record in North America delivering lead-edge measurement, control and information solutions, the business is headquartered in Houston, TX and is supported by other domestic manufacturing and service locations across the U.S, Canada and Mexico. Through global operations in 62 countries, Yokogawa generated US\$3.7 billion in sales in FY2019. For more information, please visit www.yokogawa.com/us
